Thanks, Karl

I will look at this and decide by tomorrow. If I don't travel, I will still attend, via phone...

Afternoon Lucy – I've attached a copy of the draft agenda for next week's Task Force meeting. According to the facilitator, it is "pretty full and meaty." He said it would be great if you could make it in person, but a phone call would work too, if that works best for you. Please let me know if you need anything else and once you determine if you'll be making the trip or not. Thanks and see or speak with you next week. Best Regards - Karl

Hi Karl

Good afternoon Lucy,

It was nice to meet you at the SRRTTF meeting this morning. Just wanted to provide you with my contact information, in case you need to reach me directly. I may not be able to readily answer questions at the moment, but I will track down what I can and provide a timely response. I look forward to working with the EPA and other stakeholders on the SRRTTF, DO TMDL, and other issues related to the Spokane River. Safe travels!

Best Regards,
